## BROADBAND FOR ELMSWELL

e-mail: [broadband@elmswell.net](mailto:broadband@elmswell.net)

website: <http://www.elmswell.net>

## WHY BROADBAND INTERNET

Speed enables download of large files, use of internet at "normal" speed  
 Internet and telephone use at the same time  
 "Permanently on" & more than one internet user at the same time

## IMPORTANT FOR

numerous local website activities  
 business use/local employment  
 study/leisure  
 house prices/desirability  
 the future of our community

## THE ELMSWELL/WOOLPIT COMMUNITY IS LARGE ENOUGH TO OBTAIN BROADBAND

## ELMSWELL TELEPHONE EXCHANGE

01359 24x xxx numbers

serves Elmswell and Woolpit

BT's pre-registration scheme is intended to gauge potential demand

Pre-registering carries no commitment

If you think you may want Broadband in the future, then pre-register now

If/when Broadband becomes available, choose whether to subscribe to it and through which Internet Service Provider (ISP)

180 pre-registrations on 28-05-2003

## FUTURE

At 200 pre-registrations, BT will set the definite trigger level for broadband enablement, i.e. the actual target for the campaign

## HOW TO GET THERE

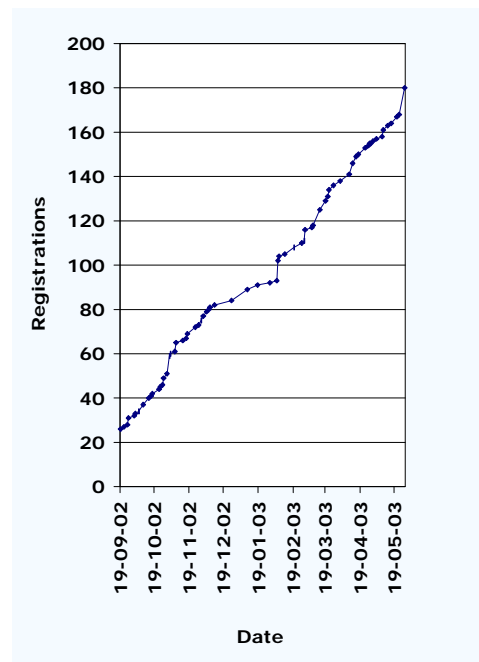

Local internet users need to register and encourage others to do so

Support and representative of Parish and Regional Councils

Support of officials and members of local organisations

Support from local industry

Support of MP

## WHEN?
